The Manitoba Simmental Association is proud to represent Simmental breeders from across the province. Our mandate is to promote the breed through various activities, to support youth programs, and to keep our membership informed about new developments on a breed level, national level, and a local level.

Annual activities include:

- Annual All Breeds Meeting, currently held in Brandon in January
- Manitoba Simmental Summer Show held each year at an agricultural fair throughout the province
- Support of Manitoba 4H Beef Programs
- Heifer Raffle in support of the Manitoba YCSA Scholarship Program
- Manitoba Livestock Expo Simmental Show & Simmental Super Select Events
- Commercial Producer of the Year Awards in conjunction with the Pembina Triangle & Keystone Simmental Associations
- Sponsorship of the Manitoba Youth Beef Round-Up
- A.O. Henuset Memorial Distinguished Breeder Award

Become a member...

Broken Oak Black Simmentals

Your Source for Quality Black Polled Genetics

The best way to produce quality, performance oriented, black calves that consistently yield a greater return for your dollar invested is to use multi-generational black and polled genes. At B.O.B.S we have been breeding black Simmental cattle for almost 15 years and have established a powerful herdbase from which we can access these genetics and that, in turn, allows us to pass them on to you, our valued customers.

Feel free to give us a call anytime to discuss your herd bull or replacement female needs!
